

REARO®

VERSATILE

BEAUTIFUL WALLS. MADE SIMPLE.

100% WATERPROOF WALL PANES

PISTACHIO REED

ABOUT VERSATILE

Versatile wall panels combine contemporary design with durable, **100% WATERPROOF** performance. Manufactured from robust 3mm compact grade laminate, each square edge panel measures 2420 × 1220mm, providing approximately 2.95m² of coverage.

Available in a choice of 10 décors, the collection includes herringbone, slim tile, brick and mosaic effects, alongside ribbed finishes, warm wood slats, marble and urban concrete. From calming greens to classic whites and rich wood tones, there is a design to complement every bathroom or kitchen.

Panels can be trimmed to suit your space, with coordinating jointing trims and finishing profiles creating a neat, professional finish. Ideal for homes, social housing and university accommodation, Versatile offers a practical alternative to traditional tiles.

Easy to clean and requiring minimal maintenance, the panels simply wipe clean, with no grout to scrub. Every panel is backed by Rearo's comprehensive 10-year guarantee for lasting peace of mind.

TEN YEAR MANUFACTURER'S GUARANTEE

Every Versatile panel comes with a ten year manufacturer's guarantee, giving you peace of mind on all your projects.

TECHNICAL SPECIFICATION

HEIGHT	WIDTH	THICKNESS	MATERIAL	EDGE PROFILE
2420mm	1200mm	3mm	SGL (Solid grade laminate)	Square edge

Please note: Printed colours may vary from the final product. The availability of some décors is limited.

PANEL TRIMS (2400mm)

END CAP

Finishes exposed panel edges cleanly and protects the visible edge of the board.

INTERNAL

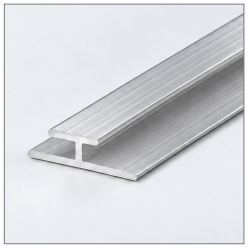

Creates a clean, watertight finish where two panels meet at an internal corner.

EXTERNAL

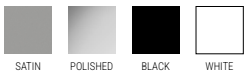

Provides a crisp, durable finish where panels meet on an outward-facing corner.

H-SECTION

Creates a clean, neat join where two **square edge** panels meet.
